In what capacity does he/she know you?:	<p>My practical training (summer internship, which is an essential part of my Engineering Degree) took place under the direct tutelage and guidance of Mr. Ronak Desai, who is the Founder and CEO of Additive Solutions Pvt. Ltd, Pune. For me, this eight- week long period, working as a tester for one of its e-commerce portals www.BookMyComfort.com, (a site primarily dealing with restaurant tables / function halls / banquet halls reservation with dynamic layout) was as much enjoyable as was enriching. Our acquaintanceship goes far beyond this two month phase, as I first met him at a Start-up Fest in Pune and have since been in constant touch, for guidance. The faith he had in my ability, was instrumental in me being chosen as his apprentice out of the many applicants. I was also fortunate, as all my co-internees were students of MBA from premier institutes.</p>
