Year of completion:	0	Grading system:	Percentage
Class:	Second Class	Final aggregate percentage:	55.57
Final GPA obtained:		Max GPA possible:	
Academic awards, extra curricular achievements and positions of responsibility held			
<p>1) I have been the winner at Divisional level and 7th at STATE level in Chess tournaments and have won several district level chess tournaments. I have participated in more than 25 chess tournaments until now and have fared well in almost all of them, despite not undergoing any professional training. 2) Have always had a soft corner for the poor and needy people of society, which inspired me to work for multiple institutes: CPAIDS (for cancer patients), HelpAge India (for old-age people) and Destitute Welfare Society of India, have received certificates from these institutes stating EXCELLENCE IN SOCIAL SERVICES. 3) Regularly appreciated by the colleagues and professors for the ability to deliver seminars and taking lectures to explain concepts to a class. 4) I have also been a regular member of NCC (National Cadet Corps) in school days. During same time, I attended an NCC camp in Walmi which taught me how to live in adverse conditions as not a single basic facility was available there throughout the camp days. 5) I have also qualified the Elementary Grade Drawing Examination held by the Government of Maharashtra. 6) Mathematics has been my favorite subject since childhood days and I have always been among the 5% performers in both school and engineering college. 7) Represented the entire Marathwada region as the captain in the State Level Chess tournament held at a place named Hingoli in 2009. I am also an active member of the sports committee of engineering college. 8) As I stay with my mother after my parents' divorce and am the elder son, I have been shouldering more than half of the responsibilities which otherwise a father performs for the family. I play the role of a mentor for my younger brother and a strong support for my mother. 9) I have successfully completed PROFESSIONAL DESIGNING courses in 2D and 3D from a recognized DCS institute situated in Pune in 2012.</p>
